FOR IMMEDIATE RELEASE

CLOSURES SCHEDULED FOR I-5 FREEWAY

LOS ANGELES - The California Department of Transportation (Caltrans) will close up to three lanes on the northbound Golden State Freeway (I-5), from San Bernardino Freeway (I-10) connector to State Street. The northbound connectors to Golden State Freeway (I-5) to northbound Golden State Freeway (I-5) and westbound Pomona Freeway (SR-60) connector to northbound Golden State Freeway (I-5) will be closed, Friday, August 18, 2006 from 9 p.m. to 9 a.m., due to pavement work.

Caltrans will close up to three lanes on the southbound Golden State Freeway (I-5), from northbound Pasadena Freeway (SR-110) connector to San Bernardino Freeway (I-10) connector, Saturday, August 19 from 10 p.m. to 10 a.m., due to pavement work.

Closures are weather permitting and subject to change. FCI Constructors Inc. is the contractor for this \$44 million project. The project will replace damaged pavement and, upon completion, will provide a smoother riding surface and extend the life span of the road. Estimated project completion is fall 2008.

Caltrans reminds motorists to “***Slow For The Cone Zone.***”
